### Devices

### What's included

Monthly inclusions set out in the table above and included usage types are outlined below:

- Standard national talk & text**  
Included value can be used for calls, SMS and MMS in Australia to standard Australian numbers, calls to 13/1300/1800 numbers, voicemail retrievals/deposits and voicemail diversions.
- Monthly data**  
This plan includes a data amount as specified in the table above for use in Australia. This plan does not share data with any other Optus mobile or mobile broadband plan. If you use more than your included data, data usage on this plan will be slowed to a maximum of 1.5Mbps until the start of your next payment cycle, unless you purchase extra data. Slowed data speeds (maximum of 1.5Mbps) are suitable for general internet browsing and music streaming, however, some activities such as video streaming may see increased buffering and loading times. Any unused data expires at the end of each payment cycle. Data is counted in kilobytes, and includes uploads and downloads.

### What's not included

Your included monthly calls, text and data cannot be used overseas and do not include calls to directory assistance, video calling, premium numbers or content charges. For details of those charges please refer to your pricing plan in the Mobile standard agreement found at [optus.com.au/sfoa](https://optus.com.au/sfoa)

Standard international calls from Australia will be charged at standard international PAYG rates. See [optus.com.au/international](https://optus.com.au/international) for more information.

You can bar the use of mobile premium services at any time, free of charge. For more information and guidance on how to limit or bar your service from mobile premium services, go to [optus.com.au/premiumsms](https://optus.com.au/premiumsms)

### Special Promotions and Extras

This summary doesn't include information on special promotions or optional extra services (bolt-ons/add-ons) that you may access with this plan. Charges may apply to optional extras, including entertainment services. By signing up to an optional extra, you agree that it is subject to change. We'll try to give you at least 21 days' prior notice of a change, however, this does not entitle you to terminate your plan. Optional extras can be cancelled at any time; you just need to pay for any charges until the end of your payment cycle.

### Fair Go Policy

You must comply with our Fair Go Policy and not use your service in a way that is unreasonable, unacceptable or fraudulent, including by causing significant congestion to our network. We may take steps to monitor and ensure compliance with this policy, including by suspending or cancelling your service. For more information, see [optus.com.au/fairgo](https://optus.com.au/fairgo)

## Other information

### Cancelling your plan

The maximum cancellation fee is described in the table at the start of this summary and will reduce each month of your contract term. Your cancellation fee will be half of your minimum monthly charge (excluding any applicable device charges) x months remaining in your minimum term. If you cancel your mobile plan, you'll also have to pay all charges incurred up to the end of the payment cycle in which the service was cancelled. This is subject to your consumer law rights.

### Changing your plan

You can change your plan during your contract term to another eligible plan provided you move to a plan with a higher monthly access fee. You cannot change your plan during the contract term to a plan with the same or lower monthly access fee. If you change your plan during your contract term a fee may apply.
