

Tastic®

Luminate Heat & Vent Module

The Luminate Heat & Vent module provides a logical extension to the successful Luminate range, offering an ideal solution for those who already have adequate lighting and require only heat and ventilation. Suitable for multiple applications including small spaces and multi level. With powerful airflow extraction and heating, this module is an excellent choice for many places within the home, including bathrooms, laundries, work benches, powder rooms and walk in robes.

- Side ducting permits versatility, for installation into multi-story buildings, or areas with limited space between ceiling and floor above
- Halo Heat™ Technology rapidly warms you and provides long lasting heat, with 800W energy efficient Infrared lamp
- Removes steam, reduces humidity and risk of mould growth, for protection against harmful bacteria & fungi

Tastic®

Luminate Heat & Vent Module

Product Specifications	
Model	Tastic Luminate® Heat & Vent Module
Model Number	37611
Rated Voltage	230 - 240V
Area Suitability - with shower	up to 9m²
Area Suitability - no shower	up to 21m²
Heat Lamp Wattage	800W
Fan Size	170mm
Minimum Ceiling Height	2.2m
Maximum Ceiling Height	2.7m
Cut Out Size	332 x 332 mm
Maximum Height of Inline Fan	215mm
Clearance Required Above Inline Fan	30mm
Capacity	111 litres/sec
Capacity	400m³/h
Total Ceiling Cavity Requirement	245mm
Current Rating	3.6 Amps
Watts (Fan in Brackets)	875 (75)
Unit Dimensions	W 367 x L 380 x D 195 mm
