### CARE INSTRUCTIONS

• For daily care and spills, simply wipe clean using a soft, dry cloth • To remove dirt and grime, simply rinse with fresh water or periodically clean using a sponge and mild detergent solution as required • To protect the finish, avoid the use of abrasive chemicals, harsh cleaners, rough cleaning pads and polishes • We recommend the use of outdoor furniture covers and storage of cushions to guard against fading for any outdoor furniture exposed to direct sunlight or the everyday elements • During winter or raining seasons we recommend that the furniture is stored in a covered, well-ventilated area, out of direct sunlight • Regularly tighten the hardware as these may become loose overtime.
