CARE INSTRUCTIONS

• For daily care and spills, simply wipe clean using a soft, dry cloth • To remove dirt and grime, simply rinse with fresh water or periodically clean using a sponge and mild detergent solution as required • To protect the finish, avoid the use of abrasive chemicals, harsh cleaners, rough cleaning pads and polishes • We recommend the use of outdoor furniture covers and storage of cushions to guard against fading for any outdoor furniture exposed to direct sunlight or the everyday elements • During winter or raining seasons we recommend that the furniture is stored in a covered, well-ventilated area, out of direct sunlight • Regularly tighten the hardware as these may become loose overtime.

Measurements are in cm and are approximate only. While we aim to ensure that the information on this fact sheet is correct at the time of printing, it is sometimes necessary for changes to be made to product specifications. To avoid disappointment, we suggest that you obtain confirmation of product specifications and availability with your Domayne Salesperson before placing your order.
