

'ARIEL' DINING COLLECTION

EXCLUSIVE TO **Harvey Norman**[®]

Discover the perfect harmony of modern luxury and simplicity with the 'Ariel' Dining collection. Featuring sleek Dining and Coffee Tables, versatile Side Tables and stylish Storage Units, each piece is crafted from ECC (Engineered Cementitious Composite) on an engineered board frame. Providing flexibility and high-bending strength, ECC is a high-performance fibre-reinforced concrete designed with a minimalist aesthetic to enhance your living and dining space.

BENEFITS OF ECC

- Crack-resistant
- Enhanced durability & longevity
- Low maintenance
- Anti-yellowing
- Seamless joints
- High-wearing
- Heat-resistant
- Stain-resistant
- Water-resistant
- Easy to clean

STORM

SAND

The 'Ariel' Dining collection is available in two colour options:

*Each piece of furniture with the 'Storm' marble-look may vary slightly and have its own individual signature; this is what makes each piece of furniture unique. **Intended for indoor use only.***

For further guidance on usage, please consult the care and maintenance instructions.

Warranty: 24 months.
