Installation Instructions:

Compatible with framed concealed cisterns (PA120, PA121, PA140, PA141). Compatible with push button panels and remote button sets (PA221 - PA265). If the pan is being installed without a Parisi cistern the use of a 40mm European Kee Seal will be required (Code: ST 119668). It is suggested that the offset horizontal pan collar be used to assist with access to the fixing bolts.
