

TAHOE

Dining Range

Product features

Focusing on fine detailing, the Tahoe range is contemporary yet nostalgic with nods to traditional furniture joinery and detailing.

- Oak timber in a low gloss, natural finish is featured throughout the entire collection.

- Two extension dining table sizes available; extending from 1300 to 1800 (sitting up to 6 people) and 1800 to 2800 (sitting up to 10 people).

- All drawers within the collection contain a black felt lining with double-extension runners for ease of access. All doors utilize soft-closing hinges.

- Features contemporary rounded corners and edging, with classic, timeless panelling.

- Matching dining chair is available within the collection, which features an upholstered seat & backrest for added comfort.
