HY4100L GENERATOR

The **Hyundai HY4100L** is a compact, high-capacity generator delivering **2800W (4kVA)** stable power with an auto voltage regulator (AVR) alternator. It is ideal for domestic standby or residential / commercial emergency power.

Whether you are fixing fences on your farm, powering tools on the job site or need back up power for your house or shed, the HY4100L provides a cost-effective, fuel-efficient solution without compromising on performance.

| WEIGHT | 46 KG |

*12 months or 100 hours (whichever comes first) Limited Warranty: This warranty covers defects in materials and workmanship under normal use and maintenance for a period of 12 months or 100 hours (whichever comes first) from the date of purchase. It applies only to the original purchaser and is non-transferable.

The warranty does not cover damage caused by misuse, neglect, accident, improper installation, unauthorised repairs or modifications, normal wear and tear, or use of non-approved fuels or oils. Consumable parts such as spark plugs, filters, fuses, and cosmetic wear are not covered.

The generator must be serviced at regular intervals as specified in the user manual. Proof of purchase and service records may be required. As the Australian distributor, Genelite reserves the right to repair or replace defective parts at its discretion.

Materials and specifications are subject to change. Specification sheets are current as of 1/10/2025.
