Goldair 7 Fin Oil Column Heater w Turbo + Timer - 1900W

<b>Product</b>	<b>Model / SKU</b>	<b>GOC147TT</b>
	Product Name	7 Fin Oil Column Heater w Turbo + Timer
	Short Description	<p>This 1900W Oil Column Heater is ideal for medium rooms in your home. With 3 heat settings and an adjustable thermostat, you can choose your level of comfort. Oil column heaters warm the air via metal fins that have hot oil circulating through them. The large surface area of the fins allows more heat to be transferred to the surrounding air. This model has a 400W independent ceramic fan heater that will get things warming up instantly.</p>
