BOXING & FITNESS EQUIPMENT

## SIZE CHART

GLOVES WEIGHT (IN OUNCE)	USERS WEIGHT IN Kg	RECOMMENDED USE
04-02	10-28KG	LITTLE KIDS BOXING
06-02	28-37KG	JUNIOR KIDS BOXING

We generally recommend the following when deciding which gloves to purchase, heavier gloves for sparring & training (14-16oz), a middle weight gloves for cardio training, pad work and bag work (10-12oz), a lighter gloves for competition and ladies cardio training (8-10oz) - always wear wraps or liners under your gloves for hand protection and hygiene
