Features

The mbeat Elite 9-in-1 USB-C Multiport Hub is a compact, high-performance solution designed for professionals, creatives, and business users on the go. Featuring a built-in M.2 NVMe SSD enclosure, this hub allows users to expand storage and access files at high speed, making it perfect for large file transfers and backups. It also includes 3 x 10Gbps USB 3.2 Gen 2 ports (2 x USB-A, 1 x USB-C), 1 x USB 2.0 port, 4K HDMI output, and SD and microSD card slots for seamless data transfer and peripheral connectivity. The PD 100W pass-through charging ensures your laptop stays powered with your charger, making it the ideal accessory for reliable connectivity and mobile storage.

All-in-One USB-C Hub

Transform your laptop or tablet into a powerful workstation with 9 versatile ports in a single compact device. Includes HDMI 4K/60Hz, 3 x USB ports (2 x USB-A + 1 x USB-C at 10Gbps), USB 2.0, SD and microSD card slots, and 100W USB-C PD pass-through charging—perfect for handling work, creative tasks, or travel needs with ease.

Integrated NVMe SSD Enclosure

Integrates a dedicated M.2 SSD slot supporting NVMe drives (M key or B+M key), allowing you to expand your storage and access large files at lightning-fast speeds. Ideal for video editors, photographers, and professionals managing high-volume data on the go—no separate enclosure required.

Extend Your Screen in 4K Clarity

Connect to external displays, TVs, or projectors via the HDMI port and enjoy ultra-clear 4K resolution at a fluid 60Hz refresh rate. Perfect for dual-screen setups, professional presentations, and immersive media experiences in stunning detail.

Blazing-Fast File Transfers

Equipped with two USB-A 3.2 Gen 2 ports and one USB-C 3.2 Gen 2 port, each supporting transfer speeds up to 10Gbps. Effortlessly connect and transfer data to external SSDs, flash drives, and other high-speed peripherals without delay.

Power and Performance On the Go

Designed for portability without sacrificing performance, this sleek aluminium hub is lightweight yet durable, with integrated 100W PD pass-through to keep your laptop fully powered during use. An ideal companion for professionals, digital creatives, and mobile users who need reliable connectivity and storage wherever they go.

Specifications

- **Host to PC:** 1 × USB-C 3.2 Gen 2
- **HDMI Port:** 1 × HDMI, supports Max. 4K/60Hz (3840 × 2160)
- **USB-C PD Port:** 1 × USB-C PD 3.0, supports Max. 20V/5A (100W) Pass-Through Charging
- **USB-C Data Port:** 1 × USB-C 3.2 Gen 2, supports Max. 10Gbps Data Transfer
- **USB-A Data Port:** 2 × USB-A 3.2 Gen 2, supports Max. 10Gbps Data Transfer
- **USB-A Legacy Port:** 1 × USB-A 2.0, supports Max. 480Mbps Data Transfer
- **M.2 SSD Slot:** 1 × M.2 NVMe SSD (supports M Key & B+M Key), supports Max. 10Gbps Data Transfer
- **SD Card Slot:** 1 × SD, supports Max. 480Mbps Data Transfer
- **microSD Card Slot:** 1 × microSD (TF), supports Max. 480Mbps Data Transfer
- **Compatibility and Limitation:** Your laptop USB-C port must support USB-C DP Alt-mode to use HDMI display function. Product is compatible with Windows™ 7, 8, 10, 11 and Mac™ OS 10.12. Product does not include USB-C power supply and M.2 SSD.
- **Product Dimensions:** 13.2cm × 4.25cm × 1.5cm
- **Product Weight:** 0.08kg
- **Cable Length:** 16cm
- **Package Dimensions:** 18cm × 9.5cm × 1.7cm
- **Package Weight:** 0.12kg
- **Package Contents:** HS9 USB-C Hub, SSD Installation Tool & Accessories, Instruction Manual, Product Registration Card
