

MURRAY RIVER RED GUM COLLECTION

hardwood EXCLUSIVE TO HARVEY NORMAN

features

- | Australian designed and made in regional Victoria
- | Manufactured from Aged Australian River Red Gum (Circa 1990-2007)
- | 30mm red gum tops
- | Natural resin option available in all pieces
- | 2 pack specialise glue and 2 pack UV finish
- | UV finish allows the natural beauty of the timber to shine through while still providing excellent protection and durability – strong, flexible, water resistant and protection from light
