

ILUME™

Ilume™ 'Pill' 500mm Demister Tri-Colour Framed Mirror - Brushed Nickel

IL-PIL-500PKGBN

The Ilume™ 'Pill' Mirror provides clear visibility and suitable lighting, eliminating the need for external lighting sources and the frustration of foggy mirrors.

Its demister function prevents fogging up, allowing you to easily carry out skincare routines without hindrance.

The Tri-Colour LED lighting feature offers adjustable lighting options for the perfect ambiance.

ILUME™

Must be installed by licensed electrician.

To clean, wipe with a damp microfibre or lint-free cloth, then wipe gently with a dry cloth.

Glass cleaners, window cleaners or other chemical agents may damage the silver coating and cause discolouration.
