

Aqua Intelligent Wall Faced Pan (Bottom Inlet Bidet Seat)

PN61A

The Aqua Intelligent Wall Faced Pan with Rimless technology offers a revolutionary design that projects water instead of the typical torrential flush. Its powerful delivery and open rim architecture ensures a thorough clean of the inner bowl. The bidet seat offers warm seat and water, adjustable shower spray, and motion sensor automatic seat opening and closing. Easily customise the showering function using the side control buttons or accompanying remote control. See [Warranty](#) page for details.
