BILL
"I have three of the Security Poles now. I often wonder how I got along without them. My knees are bad and the Security Pole lets me get up from a low chair without a lot of pain."

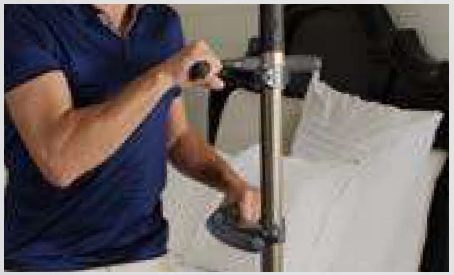

JANET
"We have two of these poles, otherwise it would be very hard for my husband to be at home. I don't know what we would do without it. It is a terrific item and I cannot say enough good things about it."

"I think it's nice to age gracefully. OK, you lose the youth, a certain stamina and dewy glow, but what you gain on the inside as a human being is wonderful: the wisdom, the acceptance and the peace of mind. It's a fair exchange." -Cherie Lunghi
