ORDINARY TO EXTRAORDINARY

Never compromising on design and always focused on quality, for 70 years Australian designed Dorf has pushed the boundaries of what's possible in tapware. Influenced by artisans across Australia – who in turn are inspired by the beauty, creativity and individualism of the world around them –

Dorf delivers an exceptional water experience, the Australian way.

KANSO BASIN MIXER

Chrome - 6358.046A

WELS 6 star rated, 4.5L/min

Australian designed and engineered

Ultra-slimline design; 12mm diameter outlet

Joystick lever for precise temperature and flow control

Available in Brushed Gunmetal Grey and Chrome finishes

BEAUTY IN MINIMALISM

KANSO is a Japanese design principle meaning simplicity. A reinforcement of simple beauty. A creation of time and space. The satisfying gratification of simplicity and quietness is the foundation and inspiration behind Dorf's new bathroom and kitchen collection, KANSO.

Ideal for installation with above counter basins

Available in Brushed Gunmetal Grey and Chrome finishes

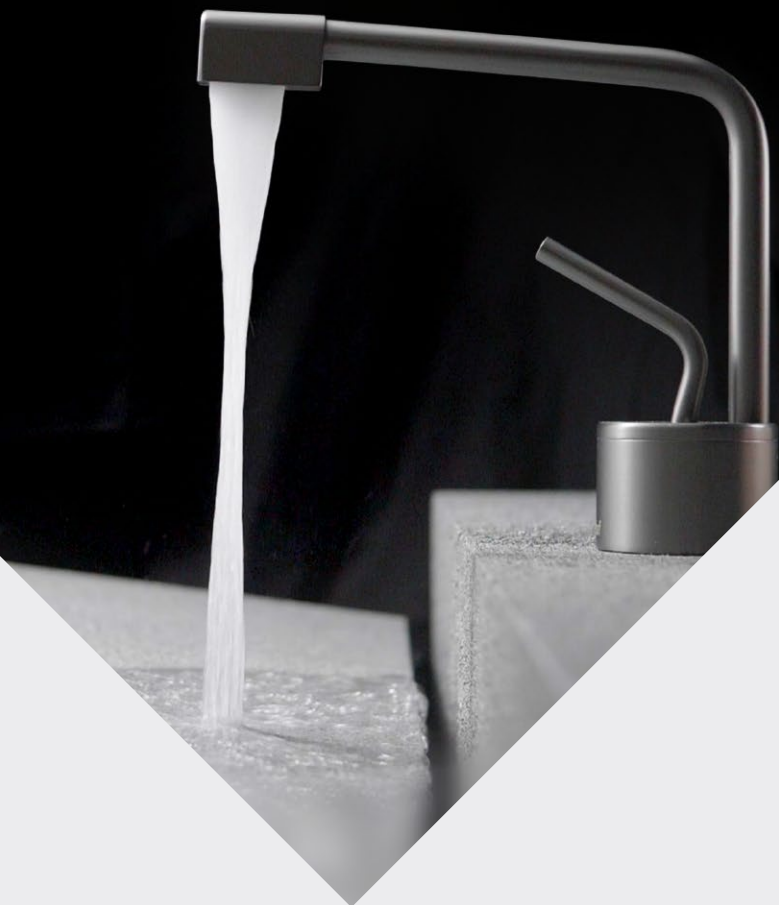

EMBRACE THE SIMPLICITY

In a world full of noise, we are longing for tranquility. The simplicity of silence, the purity of calm, the innocence of the uncomplicated. Dorf's KANSO range embodies this desire. It removes the unnecessary, eliminates the superfluous, and dismisses the gratuitous. In its place? The thinnest tap imaginable featuring bladed water delivery with no compromise on water flow.

Beauty in its simplest form. For an extraordinary water experience.

INTRODUCING VINCENT HO

"KANSO delivers water in its most simple and minimal form. We have stripped away the superfluous. The result is tapware that submerges itself into its surroundings, creating a sense of calmness and serenity.

No compromises, no boundaries, no regrets."

Vincent Ho, KANSO designer, Australia

Vincent's work spans many disciplines including product design, styling and creative conceptualisation. Incorporating classic with modern principles, he effortlessly merges beauty with meaning and form with functionality.
