

## SEIDO INVISI SERIES II® WALL FACED TOILET SUITE

The Seido Invisi Series II® toilet suite includes a modern wall faced pan with a distinctive shape and smooth sides for easy cleaning with a 620mm projection from the wall, suitable for domestic and commercial applications. Concealed cistern and plumbing fittings provide space saving with performance matched components to maximise flushing efficiency.

- Suitable for S or P trap installations
- Suitable for Induct/Inceiling installations where cistern can be serviced from the roof space or induct
- Suitable for inwall (mins. 90mm wall cavity) and undercounter where cistern can be serviced from inside the room via access panel
- Features rough in and out kits
- Pan: Seido black inlet
- Seat: Seido soft close seat
- Buttons sold separately
