Metro

Vitreous China 4.5/3 litre Dual Flush
Wall Faced Close-Coupled Box Rim Toilet Suite

CI/SfB	(74.1)	g3
Date	October 2014	

3.33.1

A versatile wall faced close-coupled toilet suite featuring a compact 4.5/3 litre dual flush cistern with low profile chrome plated push buttons and a universal connection system for varying pan setouts. The **Metro** suite has been designed to provide low cost maintenance by incorporating easy to clean rounded surfaces combined with smooth sides. The pan connection system includes the patented Caroma Uni-Orbital[®] connector for increased installation flexibility. The Caroma Uni-Orbital[®] connector extends to any position in a 25mm radius, unlike traditional connectors that only move backwards and forwards. The setout range is from 60mm – 220mm with a recommended setout of 140mm. The suite has been developed to meet the needs of a modern Australian industry to provide the designer with the ultimate water-saving technology vitreous china toilet suite. The cistern is fitted with an ultra quiet fast fill inlet valve as standard.

Pan: **Metro** 4.5 litre full flush washdown pan with box flushing rim.

Traps: Universal trap for S or P-trap installations.

Cisterns: **Metro** cistern – has a free fitting lid and is suitable for domestic and light commercial applications. Available in either bottom inlet or back entry options. Back entry cistern inlet stop valve is concealed within the cistern.

Vandal Resistant Conversion Kit – A simple to install conversion is available for the standard mechanism to lock lid onto the cistern, recommended for use in heavy use commercial areas. Code No.750109.

Important: Working pressure minimum 30kPa to maximum 1000kPa flow pressure. Rain water tank compliant. Accurate wall setout for B.S.P. 1/2" Nipple water inlet connection is essential.

Fixing: The cistern is fixed directly to the pan with a robust concealed base fixing system without the need for wall fixing.

Seats: The **Metro** toilet seat or **Metro** soft close toilet seat is provided as standard with the Metro suite.

Colours: White only.

Installation: The installation of the toilet suite shall be in accordance with the normal minimum drainline grade requirements in AS/NZS 3500.2.

Dimensions: All dimensions are in millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.
