VEIL™ INTELLIGENT TOILET
WHEN TECHNOLOGY MEETS ART
Veil Intelligent Toilet with Integrated Bidet

The Veil™ integrated wall-hung bidet and toilet features touchless flushing, one touch remote control functionality, seamless, hygienic rimless bowl, and built in UV self cleansing bidet. Meticulously designed, Veil offers stunning contemporary lines and the ultimate in individual comfort.

With its clean, refined lines, Veil is the height of contemporary design and function. Every detail is meticulously attended to, from the concealed tank and mounting hardware to the self-sanitising bidet. The result is a smart, easy-to-clean wall hung toilet with a sleek, seamless look.

- Wall-hung toilet with integrated bidet
- Rimless bowl with a powerful flushing system
- Hidden in-wall tank
- Touchless or manual flushing
- One touch remote control – standalone Bluetooth smartpad
- Self-cleaning stainless steel bidet wand is sanitised with sterilised water and inbuilt UV light
- Automated seat and cover open/close
- Heated seat
- Heated bidet water reservoir
- Heated air dryer
- Deodorising carbon filter
- LED night light

Note: Toilet must be installed with high hazard backflow prevention
