DURO PLAST

This high-performance material with the look and feel of ceramic is the ideal material. It is a highly break-proof Duroplast with an extremely hard surface and the smooth, non-porous surface is ideal for maintaining hygiene conditions. Even after years of use, Urea loses none of its shine.

GERMAN ENGINEERING

TAKE↑↓OFF®

Which enables the seat to simply be detached by hand for cleaning purposes, the patented automatic closing system offers the perfect solution for all those seeking both maximum comfort and hygiene.
