### Features & Benefits

- Ideal for homes with pets - includes a motorised power head for the deepest carpet clean and for removing pet hair from upholstery and stairs
- Uses multi-cyclonic separation to trap dirt, dust and debris in the dust chamber ensuring reliable suction power and easy machine maintenance
- Avoid scratching delicate hard floor surfaces - includes a hard floor tool that is especially designed for hard floor cleaning
- HEPA 13 filter reduce dust particles, allergens and pollens
- Tri-suction technology delivers powerful performance by lifting and removing embedded dirt with 3 channels of suction
