

Clarity Soup Maker

The clear jug of this soup maker means that you have control over your soup's consistency, every step of the way. Clear like glass but without the weight, the Tritan™ plastic body makes soup making and serving even easier.

- Easily monitor your soups progress and consistency
- Soup in just 21 minutes
- Pause to add more ingredients
- 30 minute 'keep warm' function
- BPA free

Say goodbye to guesswork, the soup maker that really lets you see the difference
